0 of 0 review helpful Great read By tony1970 This book has some very interesting topics within its pages I rented this

book for college and could have been more pleased with the speed of shipping and the ease of returning the book back  
0 of 0 review helpful Nice book but repeats a lot By aattard77 Studying conflict resolution can be a challenge but very fulfilling I Useful at both the undergraduate and graduate levels Social Conflict has been the standard bearer for brief sophisticated coverage of all the key research on social conflict and its resolution from a psychological perspective Dealing with interpersonal intergroup interorganizational and international conflict the new edition is thoroughly updated and offers additional content to address recent findings and world events This text is a part of the McGraw Hi About the Author Dean G Pruitt is SUNY Distinguished Professor Emeritus in the Department of Psychology at the University at Buffalo State University of New York and Visiting Scholar at the Institute for Conflict Analysis and Resolution at George Mason Univers
