By Barry Nurcombe : Child Mental Health and the Law information for psychiatrists and families about developmental behavioral emotional and mental disorders affecting children and adolescents nashville the tennessee department of mental health and substance abuse services has appointed joyce kovacs as its new chief executive officer for the state of Child Mental Health and the Law:

2 of 3 review helpful A Conundrum By Nancy Viens Dr Nurcombe has presented a compassionate well thought out review of the relationship between mental health and the legal system These two are often at odds with each other though the ultimate aim is of course to protect both the patient and the public from his her illness I have worked with Dr Nurcombe in Burlington Vermont USA on the Vermont Infant Studies Project The legal aspects of child mental health have changed in recent years yet many who deal professionally with disturbed children are ill informed about the rights and responsibilities of minors Child Mental Health and the Law addresses the need for a comprehensive up to date text that describes the evolution of child mental health law and the relevance of the law to the child mental health clinician Separate chapters deal with the legal issues presented by custody disp
