2 of 2 review helpful Don't bother with this text if you want to learn about multicultural humility. By Florence I rented this for GRADUATE school. It was so basic it was a waste of my money. I think this book stereotypes groups of individuals which I think is the opposite of the purpose of this book. Good thing I only rented it but it was not even worth renting. 0 of 0 review helpful Four Multicultural Psychology Understanding Our Diverse Communities Third Edition combines quantitative and qualitative research with anecdotal material to examine an array of multicultural issues and capture the richness of diverse cultures. The text focuses on such compelling topics as differences in

worldviews communication racial and cultural identity development racism and immigration Other issues covered in the text include gender sexuality age and a About the Author Dr Jeffery Scott Mio is a professor in the Psychology and Sociology Department at California State Polytechnic University Pomona where he also serves as the Director of the M S in Psychology program He received his Ph D from the Universit
