From Oxford University Press : Pathological Altruism the presidency has condemned popular northern politician junaidu mohammed who has been very critical of president muhammadu buhari the presidency in a statement narcissism disagreeableness grandiosity a psychologist investigates how trumps extraordinary personality might shape his possible presidency Pathological Altruism:

3 of 3 review helpful It's Not Enough to Want to Help By Edward G Rozycki An important set of essays and research

countering or sobering up the prevalent sentimentalism about trying to help 69 of 70 review helpful Finally a researched explanation of sick helping By Marlin Newburn This book is long overdue and I don t think this topic has ever been seriously The benefits of altruism and empathy are obvious These qualities are so highly regarded and embedded in both secular and religious societies that it seems almost heretical to suggest they can cause harm Like most good things however altruism can be distorted or taken to an unhealthy extreme Pathological Altruism presents a number of new thought provoking theses that explore a range of hurtful effects of altruism and empathy Pathologies of empathy A scholarly yet surprisingly sprightly volume The book is the first comprehensive treatment of the idea that when ostensibly generous how can I help you behavior is taken to extremes misapplied or stridently rhapsodized it can become unhelpful unprod
