**By Christine M. Von Der Haar : Social Psychology: A Sociological Perspective** social psychology links prejudice persuasion conflict romance and many other topics social psychology is the scientific study of how peoples thoughts feelings and behaviors are influenced by the actual imagined or implied presence of others in Social Psychology: A Sociological Perspective:

0 of 1 review helpful God awful By LR0719 It is an embarrassment to social psychology to call this a textbook The grammar mistakes horrible sentence structure and redundancy in this textbook are ridiculous It felt like I was reading on a third grade level Pick another textbook 0 of 1 review helpful Great Service By Brenda Andalon This company has great service This book features sociology's contribution to social psychology and involves the inclusion of symbolic

interactionism — the most important sociological theory in the field. Each chapter is written to illustrate how other people influence our thoughts, feelings, and behaviors. Specific chapter topics include Socialization, The Self, Person Perception, Attitudes, and Attitude Change, Interpersonal Relationships, Altruism, and Moral Development. Ag
