**By Craig Parsons : Introduction to Political Science** ps 101 introduction to political science fall 2003 professor marc ross overview what is politics and how do political scientists study professor smith discusses the nature and scope of quot;political philosophyquot; the oldest of the social sciences the study of political philosophy must begin with the Introduction to Political Science:

For courses in Introduction to Political Science Teach students how — not what — to think about politics. Introduction to Political Science How to Think for Yourself about Politics helps students gain the skills they need to think critically about a wide range of political topics — and to become more comfortable with politics itself as a result. In order to help introductory students navigate the shifting space of About the Author Craig Parsons is Professor of Political Science and a specialist in comparative European politics at the University of Oregon. After growing up in

Chico California he earned degrees from Stanford University Sciences Po Paris and the U
