Culturally Articulated Unconscious:

Is it in our nature to be altruistic or evil to make art use tools or create language Is it in our nature to think in any particular way For Daniel L Everett the answer is a resounding no it isn't in our nature to do any of these things because human nature does not exist — at least not as we usually think of it Flying in the face of major trends in Evolutionary Psychology and related fields he offers a provocative and compelling argument in this
