By Eric Berne : Games People Play: The Basic Handbook of Transactional Analysis. game analysis developing a methodological toolkit for the qualitative study of games by mia consalvo nathan dutton abstract although the study of digital games is our latest thinking on the issues that matter most in business and management Games People Play:

The Basic Handbook of Transactional Analysis.:

3 of 3 review helpful Games people play By Dr Oceanfront Great book that has been around forever In a nutshell the author suggests that ppl have hidden agendas ulterior motives behind all of their actions This may come as no surprise to you but the way the book is written makes this all extremely fascinating He describes many people little games and motives such as destructive games attention getting We think we rsquo re relating to other people ndash but actually we rsquo re all playing games Forty years ago Games People Play revolutionized our understanding of what really goes on during our most basic social interactions More than five million copies later Dr Eric Berne rsquo s classic is as astonishing ndash and revealing ndash as it was on the day it was first published This anniversary edition features a new introduction by Dr ldquo An important book a brilliant amusing and clear catalogue of the psychological theatricals that human beings play over and over again rdquo ndash KURT VONNEGUT Life magazine From the Inside Flap
