lawrence r murphy and lennart levi Child-Friendly Therapy: Biopsychosocial Innovations for Children and Families (Norton Professional Books):

Psychologist and family therapist Marcia Stern presents a playful and creative family centered treatment for today's kids. She uses a biopsychosocial perspective to provide a framework for intervention not only across several therapeutic domains but also across home and school environments. The therapy described here helps the family understand the child's difficulties from multiple perspectives and leads to fresh understandings of often misunderstood
