3 of 3 review helpful A dynamic unique depth approach to art therapy in groups By Dr J Bruce Moon s book is a one

of a kind as far as I can tell His approach is to work deeply with clients and to do art with themas well I think this approach requires a great deal of experience in doing clinical work and a great deal of artistic accomplishment For me this approach set standards for practice that are high In this second edition Moon provides essential principles regarding art based therapy groups nbsp The book is intended for art therapy students and practitioners offering philosophic and practical information related to the use of art in a host of group therapy contexts In his second edition of Art Based Group Therapy Bruce Moon paints a vivid picture of an effective group leader while taking his readers on a thought provoking journey through his 30 plus years of successes and struggles in leading art based therapy gr
