By Nicholas Epley : Mindwise: Why We Misunderstand What Others Think, Believe, Feel, and Want

Mindwise: Why We Misunderstand What Others Think, Believe, Feel, and Want:

3 of 3 review helpful Review By susan carroll I would recommend this book I have a CD as well to anyone who struggles worries about what other people think or believe about you and how that could negatively impact what YOU need should do in your life from your own spouse parents employers friends this information helps you remember how to NOT let others control you 1 of 1 review helpful Winner of the 2015 Book Prize for the Promotion of Social and Personality Science Society for Personality and Social Psychology Why are we sometimes blind to the minds of others treating them like objects or animals instead Why do we talk to our cars or the stars as if there is a mind that can hear us Why do we so routinely believe that others think feel and want what we do when in fact they do not And why do we think we understand our spouse From Booklist Despite its brand name sounding title used only in the four page afterword Epley hasn't created a slick marketable method And this book isn't pop psychology but popularly written ge
