By Paulina F. Kernberg, Alan S. Weiner, Karen Bardenstein : Personality Disorders In Children And Adolescents narcissistic personality disorder npd is defined by the fourth edition text revision of the diagnostic and statistical manual of mental disorders the concepts and illusions of personality ego states personality disorders and dissociative disorders Personality Disorders In Children And Adolescents:

2 of 2 review helpful Super book which was greatly needed By Customer I m a clinical psychologist who has worked with children and adolescents for number of years now and I must say I should ve just quit screwing around and bought this book earlier rather than keeping it on my wish list I looked at the other few similar books on and they didn t appear to be as well rounded and unbiased as this one so I went with thi In the first book to argue that neurotic psychotic and borderline personality disorders can be identified diagnosed and treated even in the young a renowned child psychiatrist marshalls her developmental perspective and adduces clinical evidence to support it Kernberg and her colleagues elucidate assessment criteria and advance therapeutic approaches for each disorder In the history of psychiatry the serious study of many clinical conditions has begun with an integrative volume that collects emerging knowledge pertinent to its investigation viz Kraeplin on schizophrenia Kanner on autism Otto Kernberg on borderline perso
