By Catherine A. Sanderson : Social Psychology social psychology links prejudice persuasion conflict romance and many other topics reading psychology books is the supreme lifehack distilled knowledge that often took years to assemble can be consumed in just a few hours Social Psychology:

1 of 1 review helpful Great social psych textbook highly recommend By KMT I am a PhD student in social psychology and I used this textbook in my undergrad intro course It is hands down the best social psychology textbook I have ever used Well organized clearly written The author does a great job relating social psychology to everyday life by pointing out connections to health education media environment law busin Catherine Sanderson s Social Psychology will help open students minds to a world beyond their own experience so that they will better understand

themselves and others Sanderson's uniquely powerful program of learning resources was built to support you in moving students from passive observers to active course participants. Go further in applying social psychology to everyday life. Sanderson includes application boxes on law, media, environment, business,
