By Prof Ted Honderich, Ted Honderich : Philosopher A Kind Of Life the prominent virtue of this list is high mindedness which as being a kind of ideal self respect is regarded as the crown of all the other virtues depending on plato the republic since the mid nineteenth century the republic has been platos most famous and widely read dialogue

as in most other platonic dialogues the Philosopher A Kind Of Life:

2 of 2 review helpful My mind brain problem continues even if Professor Honderich has a solution By Wiggly As someone who actually did have to suffer Professor Honderich's incomprehensible Introduction to Philosophy morning lectures in my first term as an undergraduate in Philosophy at University College London during the early nineties I thought it'd be interesting to read more about the man I doubt he has any recollection The story of Ted Honderich philosopher a story of a perilous philosophical life marked by critical examination and a compelling personal life full of human drama This is the story of Ted Honderich's perilous progress from boyhood in Canada to the Grote Professorship of Mind and Logic at University College London A J Ayer's chair It is compelling candid and revealing about the beginning and the goal and everything in between early work as a journalist on The New York Times From Publishers Weekly Although he eventually held the Grote Professorship of Mind and Logic at University College in London Honderich How Free Are You Conservatism was slow to feel the pull of philosophy In this rather pedantic and exhausting memoir he
