By Sharon Oberne : From Hell to Heaven: Is It Bipolar Disorder...or...Something Else? here you will find a detailed overview of bipolar disorder bipolar disorder is recognized by mania depression and usually anxiety one area of bipolar not usually talked about is obsessive thoughts and behavior by From Hell to Heaven: Is It Bipolar Disorder...or...Something Else?:

The information in this book comes from my experience opinion and personal interpretation of the research I have read I am not a medical doctor only a mother trying to find answers to help my biological child I grew up in a family where mood swings and depression were regarded more as some genetically linked mental disorder such as bipolar rather than symptoms of stress After all my father was suffering from post traumatic stress disorder as a World War II Army Off About the Author As the daughter sister and mother of someone suspected of having a mental disorder I am outraged at how easy it is to obtain an incorrect diagnosis Diet and stress can easily contribute to the symptoms leading to a misdiagnosis of bipolar dis
