**By Charles L. Thompson, Linda B. Rudolph, Donna A. Henderson : Counseling Children** amazon counseling children 9781285464541 donna a henderson charles l thompson books presenting problems stein counseling professionals work with many childrens presenting problems the list below is an example and not exhaustive Counseling Children:

1 of 1 review helpful Full of Information and How To s By Aunt B Well written and full of information This book offers case studies and examples of dialogue between counselor and client Detailed instructions and directions are

given that may be useful to counselors. For example under Solution Focused Brief Counseling SFBC the reader learns the basic tenets of SFBC and how the counselor sees the client. Then the book Unparalleled in its translation of theory into practice COUNSELING CHILDREN covers the most practical and up to date methods for developing effective approaches to counseling children. The authors provide a comprehensive yet easy to read text that includes useful strategies and case studies from actual counseling sessions to present a realistic look at the field. COUNSELING CHILDREN is the best book on the market today. It does a great job of applying theory to practice and doing so in a most interesting and reasonable manner. This is a comprehensive theory based counseling children text.
