By Paul Raeburn : Acquainted with the Night: A Parent's Quest to Understand Depression and Bipolar Disorder in His Children drinking problem late one night walking to my home from work i was praying the rosary for help to overcome a problem i had with alcohol which was worsening reviews of films domestic and foreign documentary and fiction that depict psychiatric and psychological themes mental health issues mental health professionals Acquainted with the Night: A Parent's Quest to Understand Depression and Bipolar Disorder in His Children:

10 of 10 review helpful Does Diagnosis matter By D P Birkett I had set this aside for reading as a professional duty but found it so compelling that I promoted it to my bedside Paul Raeburn is a superb writer That being said I think it may be more useful to professionals than to parents The mental health workers in this book do not come off well and it makes salutary reading Raeburn is perturbed by his docto In the tradition of Kay Redfield Jamison s An Unquiet Mind Acquainted with the Night is a powerful memoir of one man s struggle to deal with the adolescent depression and bipolar disorder of his son and his daughter Seven years ago Paul Raeburn s son Alex eleven was admitted to a psychiatric hospital after leaving his fifth grade classroom in an inexplicable rage He was hospitalized three times over the next three years In the space of a few months 11 year old Alex Raeburn is bounced among seven psychiatrists and prescribed even more drugs among them Lithium and Depakote after lashing out at his 5th grade teacher The doctors are swift to prescribe pills but slow to p
