0 of 0 review helpful Although it was required By MNMOM This was another required text for a course in college However it was very interesting for me I felt like I learned a lot as I read this very thorough text on sexual exploitation

and the investigation as well as what I learned about the investigative process This text does not hold anything back including some of the very real evidence found in some cases Some The Sexual Exploitation of Children A Practical Guide to Assessment Investigation and Intervention Second Edition discusses the new and different developments in the manifestation of problems involved in investigation and assessment of sexual cases and offers advice on dealing with these issues Although many of the difficulties involved in investigation and assessment of sexual abuse allegations have remained unchanged since the first edition of this book appeared i This book is a must read for those involved with investigating or prosecuting cases involving the sexual exploitation of children Mark Brenzinger Crime Justice International July August1999
