Scoring Forms

PARENT VERSION

P-CHIPS

Also available from American Psychiatric Publishing Group (1-800-368-5777; www.appi.org)

■ **ChIPS—Children's Interview for Psychiatric Syndromes** (Order #8298)

One-time-use booklet administration booklet

Based on strict DSM-IV criteria and validated in more than 12 years of studies, the ChIPS is brief and simple to administer. Questions are succinct, simple, sensible, and easily understood by children and adolescents. Practitioners in clinical and research settings who have already found the ChIPS indispensable in assessing for conditions such as attention deficit hyperactivity disorder, conduct disorder, substance abuse, phobias, anxiety disorders, stress disorders, eating disorders, sexual disorders, elimination disorders, and schizophrenia.

Scoring Form for ChIPS, package of 20 (Order #8299)

One-time-use booklet for recording answers, with Profile Sheet

Scoring Forms provide ample space for recording verbatim responses to interview questions, with check boxes to indicate whether symptom criteria and duration and impairment requirements are met. A Profile Sheet, perforated for easy removal from the Scoring Form, is included to itemize principal findings and diagnosis.

Report Form for ChIPS, package of 20 (Order #8299)

One-time-use abbreviated summary form

Report Forms provide a quick way of conveying ChIPS results. If subsequently desired, this "at-a-glance" summary of the symptoms endorsed during the interview can be used by a clinician to identify areas warranting further scrutiny.

■ **P-CHIPS—Children's Interview for Psychiatric Syndromes—Parent Version** (Order #8297)

One-time-use booklet administration booklet

The Parent Version of the ChIPS essentially consists of the same interview text altered from second to third person to address the parent rather than the child (e.g., "How you ever" is changed to "Has your child ever").

Scoring Form for P-CHIPS, package of 20 (Order #8296)

One-time-use booklet for recording answers, with Profile Sheet

Report Form for P-CHIPS, package of 20 (Order #8298)

One-time-use abbreviated summary form

■ **Administration Manual** (Order #8291)

Covering both the ChIPS and the P-CHIPS, the Administration Manual is informative and user-friendly. It presents background information about the interview's development, detailed instructions for conducting the interview, and recording its results; explicit criteria for assessing interview responses; complete specifications for preparing mental health professionals to administer the interview; and descriptive case studies.
