From Brand: Amer Psychiatric Pub : Mental Retardation: Developing Pharmacotherapies (Progress in Psychiatry)

Mental Retardation: Developing Pharmacotherapies (Progress in Psychiatry):

The book shows how mentally retarded patients can benefit from pharmacological interventions that are part of a multisystems approach to treatment the aim of which is to maintain or increase the cognitive functioning of the individual This book grew out of a symposium at a meeting of the American Psychiatric Association and is intended mainly for psychiatrists but psychologists and other professionals working with people with developmental disabilities and behavior problems will find the
