In today's environment of managed care practitioners face more daunting challenges than ever treatment authorizations are becoming more difficult to obtain as are referrals to other healthcare practitioners which are increasingly performance based. Into this competitive environment comes Casebook for Managing Managed Care A Self Study Guide for Treatment Planning Documentation and Communication Dedicated to helping mental healthcare practitioners clearly. This volume is an extremely successful exploration of the practical application of the PIP system. Doody's Journal of Managed Care has been hanged, drawn and quartered and replaced by a more equitable and effective system of medical care.
