By Nelson Searcy, Kerrick Thomas : Activate: An Entirely New Approach to Small Groups how to stop making excuses for your weight you should never have to apologize for your body you have inherent worth and value as a

person regardless of your weight keeping track of whose turn it is during combat can be complicated combat is the most complex part of the game and the easiest place for a session to bog down **Activate: An Entirely New Approach to Small Groups:**

26 of 26 review helpful Outstanding Practical Book on Small Groups Ministry By Laurence T Baxter Searcy and Thomas have written an outstanding book on starting or developing a small groups program within the local church The material presented demonstrates a depth of insight that only comes from experience it's easy to see how Journey Church in New York City went from a handful of people to over 1100 in worship attendees Church leaders want to know how to make small groups work for their church communities yet a quick look around shows that while small groups are popular much of the time they create more problems than they solve Nelson Searcy and Kerrick Thomas founding pastors of The Journey Church in the heart of New York City suggest that this failure is due to widely held beliefs about small groups that just aren't true and they aim to debunk the myths and set the record straight From the Back Cover If you are tired of being involved in a small group ministry that does not excite fails to get people plugged in and takes a lot of energy to sustain but shows little results then Activate is for you nbsp The strategies in Activate w
