2011nbsp;so do you think that pixar is doing this consciously its been the same core team making all of the movies and as a novelist myself i know that themes ever notice how christopher nolans movies interstellar inception the prestige feel like an anxiety attack well maybe thats overstating things a bit but The Captain Class: The Hidden Force That Creates the World's Greatest Teams:

20 of 20 review helpful An incredibly well written astonishingly well researched and compelling read even maybe especially for non sports people By Wende Mate I am not a sports person Period My husband and or son ritually explain the rules of each game to me at the beginning of every season not because I can t remember them but simply because it s information that I can t apply elsewhere so poof it disappears at The founding editor of nbsp The Wall Street Journal rsquo s nbsp sports section profiles the greatest teams in history and identifies the counterintuitive leadership qualities of the unconventional men and women who drove them to succeed The secret to winning is not what you think it is It rsquo s not the coach It rsquo s not the star It rsquo s not money It rsquo s not a strategy It rsquo s something else en ldquo Well researched wildly entertaining and thought provoking In nbsp The Captain Class Sam Walker presents compelling narratives about the secret ingredient to the greatest teams of all time mdash and quickly makes you reexamine long held belief
