Driftless Connecticut Series & Garnet Books):

0 of 0 review helpful Five Stars By Lindsay Veale Wonderful book Prior to 1972 visitors to Connecticut state mental hospitals might have noticed a six year old chronically depressed girl crouching in the corner of a chaotic cafeteria or a seven year old autistic boy sleeping on a cot next to a seventy year old schizophrenic man Riverview Hospital for Children and Youth tells the story of one of the first milieu based therapeutic hospitals specializing in children's care located in Middletown Connecticut Richard J Wiseman *Idquo* There is much to recommend about the book its message and what was learned through trial and error dedication and forward thinking I suspect mental health students educators and psychology practitioners will enjoy reading Wiseman *rsquo* s *jou*
