By Dr. Sabrina Freeman : The Complete Guide to Autism Treatments, A Parent's Handbook: Make Sure Your Child Gets What Works! while enjoying a perfectly wonderful child like moment of rolling down a grassy hill with your niece you stood up too quickly and proceeded to take tumble twisting examples of materials that can be adapted for therapy a collection of resources by judith maginnis kuster the following is one section of judith kusters net The Complete Guide to Autism Treatments, A Parent's Handbook: Make Sure Your Child Gets What Works!:

4 of 5 review helpful A must have for parents of a newly diagnosed child on the autism spectrum By Jason D Eden I was in the middle of writing a book that detailed the various Autism therapy options out there when I discovered this

gem Freeman's writing is extremely detailed, very fact and science based and a powerful springboard to help you sort out good therapies from the completely wacko and everything in between. *As The Complete Guide to Autism Treatments* was inspired by parents of children afflicted with autism. After speaking with several thousands of parents about various treatments and answering similar questions over and over again, Dr. Freeman realized that parents need a clear way a guide to help make appropriate treatment decisions for their child. To this end, Dr. Freeman gives her scientific evaluation of most of the major Dr. Freeman's latest book may indeed be her most important contribution to parents of children with autism as well as to those professionals who work with this clinical population.

ed by David Celiberti Ph.D. BCBA President A.S.A.T
