From Temenos Press : The Teachings of Dora Kalff: Sandplay The Teachings of Dora Kalff: Sandplay:

Sandplay therapy is based on the psychology of Carl Jung and developed by the Swiss psychotherapist and teacher Dora Kalff. By placing miniature figurines in a small sandbox to express confusing feelings and inner experiences, patients create a visual representation of their psyches' contents and reveal unconscious concerns that are inaccessible any other way. In this beautiful full color volume, sandplay therapist Barbara Turner has recorded Dora Kalff's About the Author. Barbara A. Turner, PhD, is a certified sandplay therapist and teacher who has authored and edited several books on Jungian sandplay therapy. She trains mental health clinicians in sandplay around the world and was a student of Dora.
