**By Arthur E. Jongsma Jr., Kim Paleg : The Group Therapy Treatment Planner, with DSM-5 Updates (PracticePlanners)** The Group Therapy Treatment Planner, with DSM-5 Updates (PracticePlanners):

0 of 0 review helpful It's all about the paperwork By mamamick I love all of these treatment planners and have quite a

good variety but this group one has gotten me out of a block more than once I recommend these to new therapist s getting used to the note writing treatment planning processes or even to those old timers that are sick of the same old same old and looking for inspiration to revitalize the paperwork ga This fully revised resource features Treatment plan components for 33 behaviorally based presenting problems Over 1 000 prewritten treatment goals objectives and interventions mdash plus space to record your own treatment plan options A step by step guide to writing treatment plans that meet the requirements of most insurance companies and third party payors The Group Therapy Treatment Planner Second Edition prov About the Author ARTHUR E JONGSMA Jr PhD is Series Editor for the bestselling PracticePlanners reg Since 1971 he has provided professional mental health services to both inpatient and outpatient clients He managed a group private practice
