**By David Myers : Looseleaf for Exploring Social Psychology** Looseleaf for Exploring Social Psychology:

Exploring Social Psychology succinctly explores social psychological science and applies it to contemporary issues and everyday life. Based on the bestselling text Social Psychology by David Myers, the book presents 31 short modules each readable in a single sitting that introduce students to such scientific explorations as love and hate, conformity and independence, prejudice and helping, and persuasion and self-determination. Instructors can About the Author David

Myers is the John Dirk Werkman Professor of Psychology at Hope College where he has taught for the past 30 years
