**By Erick Fabris : Tranquil Prisons: Chemical Incarceration under Community Treatment Orders** based on a comprehensive survey in 1844 and extended to other asylums afghanistan land of the afghans arachosia khorasan british south asia southern turkestan slavery48000 bc farming communities found by smithsonian Tranquil Prisons:

## Chemical Incarceration under Community Treatment Orders:

0 of 0 review helpful Five Stars By Dana Great idea But the title TRANQUIL probably describes the view from the onlooker's side more than it describes the person being treated Antipsychotic medications are sometimes imposed on psychiatric patients deemed dangerous to themselves and others This is based on the assumption that treatment is safe and effective and that recovery depends on biological adjustment Under new laws patients can be required to remain on these medications after leaving hospitals However survivors attest that forced treatment used as a restraint can feel like torture while the consequences of withdrawal can't Tranquil Prisons is an important contribution to the studies of mental health and related institutions It would make an excellent read for the general public government administrators or researchers academics and postsecondary courses that
