From imusti : The Production of Reality: Essays and Readings on Social Interaction The Production of Reality: Essays and Readings on Social Interaction:

0 of 0 review helpful Great textbook for those interested in social psychology By Justin As a college student I had to purchase this textbook for my class I honestly just read the textbook if there are tests quizzes or homework assigned for them even then I still barely read them haha oops but this textbook was not only very interesting it was written in a way that didn't confuse me like other texts I have read thr A one of a kind social psychology book that inspires readers

to be awake in the world nbsp In this new Sixth Edition Jodi O rsquo Brien continues to explore the historical development of the concept of the self and help readers see the patterns we use to make sense of our own lives The book introduces the major theories concepts and perspectives of contemporary social psychology in a uniquely engaging manner Compelling original essay About the Author Jodi O rsquo Brien is Professor of Sociology and Women and Gender Studies at Seattle University She is the editor of the Encyclopedia of Gender and Society and co editor of the Idquo Contemporary Sociological Perspect
