sometimes i june aged 9 would come home Life in the House of Cards: Or Parenting a Child with Mental Illness:

3 of 3 review helpful A must read book By Manuel Mota I will keep my review of this book brief and painless In the middle of page 28 I closed it and went to my computer to order 3 additional copies At that point of my reading I had thought of two colleagues that are going to have a feast reading the magnificent work Dr Abramovich has done assembling all the information and touching stories included in LIFE IN THE HOUSE O Raising a child with mental illness is complex by itself but the way society views and treats mental health issues makes it even harder In Life in the House of Cards Parenting a Child with Mental Illness author Dr Irene Abramovich talks openly about painful issues encountered by children with mental illness and their parents including educational struggles medical challenges parenting issues and the effect on other siblings and partners Life in the House of Car About the Author Irene Abramovich M D Ph D is a child and adolescent psychiatrist practicing in Connecticut and New York This is her first book She lives in Simsbury Connecticut
