0 of 1 review helpful Young Children's Behaviour By Izal Pereira I am an early childhood educator who was searching for a book with good guidance in children's management behaviour I found Young Children's Behaviour on website and it was a so worthwhile buying it. It is a great book for those who need more information about how to improve children's behaviour at school or at home. I also liked the author's suggestion for This third edition co-publication with Elsevier shows early childhood professionals how to respond to and improve the behavior of young children while meeting their emotional and social needs. About the Author Louise Porter Ph.D. M.A. Hons. M.GiftedEd DipEd lectures in education at Flinders University and at the University of South Australia. She is the author of numerous books on young children.
