settings PDR Drug Guide to Pediatric & Adolescent Mental Health Professionals:

0 of 0 review helpful Five Stars By Sparks Counseling Services LLC A great addition to any clinicians library reference materials 1 of 1 review helpful Good By kbunches It has a lot of good info but I wish I could have found a newer version because there are some meds that are not in it An authoritative user friendly reference for all professionals who treat or counsel children and adolescents Includes chapters written by noted child psychologist and psychiatrist on a range of mental health conditions and the special considerations required for younger patients Also includes concise data on psychotropic drugs and street drugs
