By Julian Stuart Haber : ADHD: The Great Misdiagnosis ADHD: The Great Misdiagnosis:

The ADHD label had been rampantly overused on children with completely different problems when the controversial

first edition of ADHD was praised by practitioners and parents alike as a timely book whose message was long overdue. This new edition includes a complete revision of the chapter on medication detailing when to use certain drugs and the side effects that can be expected and including a thorough review and update of older medications. Special problems
