By John W. Pearce PhD, Terry Dianne Pezzot-Pearce PhD : Psychotherapy of Abused and Neglected Children, Second Edition narcissistic ex husbands unable to bear the shame of a failed marriage often attempt to annihilate the character of their ex wives in order to keep their own ideal if psychotherapy is to be effective the client must to a

degree become emotionally dependent upon the therapist Psychotherapy of Abused and Neglected Children, Second Edition:

3 of 3 review helpful Good Info although hard to read format By Linda M Jensen This book was required for a class but I think I will keep it as the information presented is good with a lot of supporting references included I just do not care for the long chapter format so this is hard to read at times The tables have been the most informative and easiest to read which give a great summary of information This book This widely used guidebook and text combines theory research and practical clinical strategies Provided is a thoughtful framework for understanding the developmental impact of maltreatment assessing the unique needs of each child and family building a strong therapeutic relationship and implementing a variety of effective interventions This revised edition provides a much needed resource for the classroom Practical strategies for assessing and intervening with children who have experienced maltreatment are based on a sound theoretical framework The authors depth of clinical experien
