Moral Narcissism Is Destroying Our Republic, If It Hasn't Already:

55 of 56 review helpful Honest and Incisive essays on the trivialization and subversion of meaningful political discourse By Generic Personage An honest incisive explanation of the way in which our political discourse has been subverted by people's hunger to engage in virtue signalling moral self congratulation and the use of political opinions as sub silentio communicators of the opinion holder's social status To his credit In 1979 Christopher Lasch published the epochal *The Culture of Narcissism* warning of the normalizing of narcissism in our society Lasch may have understated it 35 years later in the Obama era with its parade of endless often inexplicable scandals we have a full blown epidemic of what has recently been called Moral Narcissism Forget Narcissus and his reflection Moral Narcissism the almost schizophrenic divide between intentions and results no From the Inside Flap Do you want to know who is largely responsible for the decline of America in the last half century And do you want to know why Roger Simon has written the answer in an original and significant book He may have even coined a term t
