By Dr Robert Garsia : ADHD Is Not A Sentence: My life travels that led me to medicine and a full and comprehensive understanding of ADHD vega june 20 2016

I met so many parents who did not know what to believe because of so much misinformation in the media and I hope this book clarifies much of the mystery and the stigma surrounding these conditions I finally wrote this book because I was so incensed that although much is known and written about ADD so little is discussed about the proper management I spent a great portion of my professional life treating individuals who were ADD ADHD and Aspergers and have attempted About the Author Dr Robert Garsia was born in Egypt but luckily migrated to Australia when he was only 11 Dr Robert Garsia attended Melbourne University and obtained a Bachelors Degree in Medicine He completed his residency in Geelong Afterwards the family
