Forbidden Psychology 101: The Cool Stuff They Didn't Teach You About In School:

1 of 1 review helpful Drm is a major hassle By Cindy B never did get to read a single word due download issues with drm I returned it what s the point having a book listed for purchase but cannot read 1 of 1 review helpful One Star By Sean Hopkins Awful do not buy 2 of 3 review helpful There is little here to recommend and even less Psychology is the fascinating study of the human mind rsquo s inner workings Understanding psychology lets you understand people You can use an understanding of people to make human interaction and life in general easier But there is a dark side to psychology A side that people do not speak about in polite society A side that is explicitly forbidden by ethical committees and such supervising agencies as the UN and the Geneva Convention This is forbidden psycholog
