2 of 3 review helpful Interesting read By Long term customer Interesting read and not the first such work I have read

These events recounted here seem like something from another era ie centuries ago not from such a short time ago However it seems to me they are the result of a perfect storm in our society but probably unrelated to politics I believe the panic was largely fostered by the rather sudden liberaliza A Wall Street Journal Best Book of 2015A Boston Globe Best Book of 2015A brilliant disturbing portrait of the dawn of the culture wars when America started to tear itself apart with doubts wild allegations and an unfounded fear for the safety of children During the 1980s in California New Jersey New York Michigan Massachusetts Florida Tennessee Texas Ohio and elsewhere day care workers were arreste A Wall Street Journal Best Book of 2015 A Boston Globe Best Book of 2015 Intellectually nimble Beck s argument should prove far more enduring than all the lies and self deceptions so credulously believed in the 1980s t
