From Brand: Psychology Press : Stereotyping and Prejudice (Frontiers of Social Psychology) this article elaborates a view of anxiety as deriving from a basic human need to belong to social groups anxiety is seen as a pervasive and possibly an innately this is the reference page for academic references for persuasion related topics

Stereotyping and Prejudice (Frontiers of Social Psychology):

0 of 0 review helpful I know the subject isn't super exciting but most psychology texts that I read are By Valeria Rodriguez It is well written but honestly the textbook is really dry I know the subject isn't super exciting but most psychology texts that I read are something I would like to keep for future reading Even though I rented this one out I don't see myself buying it in the future Renting with is amazing though This volume presents a contemporary and comprehensive overview of the great diversity of theoretical interests new ideas and practical applications that characterize social psychological approaches to stereotyping and prejudice All the contributions are written by renowned scholars in the field with some chapters focusing on fundamental principles including research questions about the brain structures that help us categorize and judge In creating this volume Strangor and Crandall gathered an impressive team of renowned scholars providing a variety of theoretical perspectives that represent social psychological approaches to stereotyping and prejudice The volume is an indispensable
