0 of 0 review helpful it s great that let s you rent it to a much By HappyPrimeUserCYV required textbook for my class it s great that let s you rent it to a much lower price than purchasing price It allowed me to save a lot of money 0 of 0 review helpful Enjoyed this text By Amanda Kaczmarek Great textbook Well written with tons of citations in case you want t Using an engaging narrative this textbook demonstrates how social processes are inherently interconnected by

uniquely applying underlying and unifying principles throughout the text. With its comprehensive coverage of classic and contemporary research illustrated with real world examples from many disciplines including medicine law and education Social Psychology 4th Edition connects theory and application providing undergraduate students with What makes this book different and better than other social psychology texts is the way it is organized around a set of fundamental principles of motivation and cognition. Rather than simply listing and describing the standard topics the principles provide
