Reports: A Basic Guide for Students of the Social and Behavioral Sciences:

0 of 0 review helpful Exactly what you need By Priscilla It s a great book for a guide when you are writing a report It goes in great detail everything you should consider when writing a report Sometimes it can get a little confusing in how you have to read a paragraph not know what they are referring to and then read the example below it to understand the previous paragraph explaining what was going on This breaks my t Book by Pycszak Fred
