By Gerry Fewster : Don't Let Your Kids Be Normal: A Partnership for a Different World when your spouse wants a divorce and you dont part 2 an interview when faith causes family friction dr ray tackles the tough questions

do you ever feel like raising kids in the faith is a losing battle or maybe your spouse Don't Let Your Kids Be Normal: A Partnership for a Different World:

1 of 1 review helpful mutual respect and curiosity By Michelle Emanuel This book sheds light on the contrast between the old ways of parenting with authority and demanding blind obedience to a new way of parenting with empathy collaboration and mutual respect This a refreshing take on parenting and it shows us how teaching our children how to learn to be innovative creative and able to connect meaningfully with others i In the midst of our planetary woes Dr Gerry Fewster offers a timely reminder that every child has the inherent potential to reach beyond the status quo and create a future of meaning and purpose Adults who recognize this potential can change the course of human destiny through their relationships with children ndash one child at a time To this end Fewster urges us to reconsider our most basic beliefs and radically revise our parenting and professional practices A must read for anyone who is concerned about the world our children will inherit In providing an in depth practical guide for parents and professionals Dr Fewster challenges us to reconsider what human relationships are all about rdquo
