By Clare Oakley, Floriana Coccia, Neil Masson, Iain McKinnon, Meinou Simmons : 101 Recipes for Audit in Psychiatry we would like to show you a description here but the site wont allow us bibme free bibliography and citation maker mla apa chicago harvard 101 Recipes for Audit in Psychiatry:

Audit is an essential activity for all psychiatrists and this book will help ease the audit process by offering tried and

tested recipes for conducting audits in clinical services All the audits have been undertaken by the authors who give practical advice for carrying them out in day to day practice This book will be useful for both consultants undertaking revalidation and for trainees doing their Annual Review of Competence Progression ARCP RCPsych Publications A whole section is devoted to distinguishing between audit and research Several of my colleagues have started out doing what they think is an audit only to find out later that what they have found and presented is in fact research This section is particular
