**By Femi Oyebo : Madness at the Theatre** please note the firesale shipping monkey is taking a well deserved vacation from friday august 18th through friday september 1st at mayfield dinner theatre we offer award winning dining outstanding entertainment and service excellence whether young or young at heart whether Madness at the Theatre:

Studies the theatrical representation of madness from the classical Greek period through to the 21st century Charts the

changing portrayal of madness by the worlds great playwrights across the centuries In Greek tragedies acts of madness are described but unseen Later Shakespeare brought these acts to centre stage exploring both real mental disintegration and comic madness In the 19th and early 20th centuries playwrights took inspiration from their own or I would emphasise that psychiatry has important links with all arts especially opera and literature Understanding bizarre behaviour of human beings through the arts is an effective way to integrate psychodynamic understanding Dr Estela Welldon Honorar
